Page 2 A Bibliophile's Guide to Tuscany In Italy's most literary-minded region, a group of bookmakers, book restorers, and bookstore owners are preserving ancient traditions—and you can shop from afar. December 18, 2020 04:09 PM · Page 3 12 Books to Read This Winter As the weather cools down and you're looking for a good book to read on your next plane ride (or delayed layover), here are some 2019 picks from Bedside Reading founder Jane Ubell-Meyer. November 27, 2019 12:31 PM Page 4 The True Story of What It's Like to Become a Refugee As a child in Rwanda, Clemantine Wamariya lived a comfortable, middle-class life. Then came the genocide. In the space of months, Clemantine—who later escaped and became a human-rights advocate—went from being a six-year-old surrounded by home and family to a refugee. Page 5 7 Great Books About New York City New York City may be one of the most written-about places in the United States. Here are some of the best reads to get you pumped about your next trip there—and what to pore over once you've arrived. December 20, 2017 01:25 PM · Over the years, there have been numerous movies about chess, ranging from biopics about famous chess players to dramas about the struggle between chess titans. Chess is a natural way for filmmakers to express conflict and mental warfare, so it's no surprise that it has been a classic theme in film. The following list only includes movies where chess is central to the plot, not those that simply include chess in them at some point. Chess is a game for all, and simpler than you may think. You can learn the chess rules here! Select to play as either the black or white chess pieces from the chess setup — white always moves first. The first move is performed by the Pawn or the Knight. Knights are the only pieces allowed to jump over others in the whole chess set and do so by moving out two squares and across one on the chess board. In chess, the pawn is free to move forward two squares on the opening move, however, it can only progress one square forward at a time after that. Also, it can only attack in a forward, diagonal direction. After this opening to the chess game, the objective is to get the rest of your chess pieces out to attack the opponent's King, while simultaneously protecting your own. The other pieces are free to move across the chess set in the following ways: Bishops can move in any diagonal direction in an unlimited number of available chess board spaces. Rooks can do the same, but in any non-diagonal direction on the chess board. In chess, Queens (your most valuable piece in chess) can move in any direction in an unlimited number of available spaces. Kings can move in any direction, however, only one square at a time on the chess board. In chess, once the King is threatened, it is placed in "check." The player with the King in danger must use the next move to either move it on the chess board, attack the threatening chess pieces, or block it to get out of "check." Failure to do so could signal the end of the chess game with the King being placed in "checkmate," meaning that it is impossible to avoid an attack on the King and the player who places the King in this position wins the game of chess online. Fun Facts about Chess - The longest a chess game could possibly be is 5,949 moves. - The first chess board setup with light and dark alternating squares was used in Europe in 1090. - In Chess, the term "Checkmate" derives from the Persian phrase "Shah Mat", meaning "the King is dead". - It is estimated that over 600 million people play chess online and around the world. - Magnus Carlsen of Norway is the current world chess champion. Try chess online for free today and begin your journey to the World Chess Championship! Still Wide Open, by Brad Doty, with Dave Argabright, hardcover, 282 pages, \$29.95 plus \$2.50 shipping and handling, 1999; Witness Productions, Box 34, Marshall, Indiana 47859; 765-597-2487. Sprint-car-racing fans still know former driver Brad Doty, despite the fact that a serious crash in 1988 at Ohio's Eldora Speedway left him paralyzed from the waist down. When a career-ending tragedy like that befalls a driver, few colleagues will publicly recall his faults, as they speak only of his more ennobling qualities. Except that with Doty there really weren't any faults. He was one of the nice guys -- a tough competitor but universally well-liked by colleagues and fans. And he still is. From his wheelchair, Doty has remained close to sprint-car racing, working as a color commentator for TNN's television coverage of the World of Outlaws sprint-car series. Few know, though, what a battle it was for Doty to rebuild his life and rebound from the profound depression he sank into after the crash. He was hospitalized for weeks and nearly died. "For the first few days, it was me and my thumb, pumping morphine. They had a [drug] delivery system that I could apply with my thumb, and I kept it working. God, I was hurting." Still Wide Open is an honest, inspirational account of Doty's life, as told by Doty and co-author Dave Argabright, a Car and Driver contributor and columnist for National Speed Sport News. Highly recommended. Junior Johnson: Brave in Life, by Tom Higgins and Steve Waid; softcover, 192 pages, \$29.95; Phoenix, Arizona: David Bull Publishing, 1999. NASCAR just signed a deal consolidating TV coverage that should be worth about \$400 million a year, about four times what the fees went for in 1999. Although stock-car racing salutes its past when it's profitable to do so -- such as during its 50th anniversary marketing blitz of 1998 -- NASCAR is far more concerned with marketing deals and stock options than how it got where it is today. And it got where it is today largely through the efforts of colorful pioneers such as Junior Johnson, an excellent driver who went on to become a successful team owner. Johnson came from the backwoods, hauling bootleg whiskey -- and often getting arrested and jailed for it -- before he managed to make enough money racing to officially change careers. That career shift was memorialized by a big Tom Wolfe story in Esquire magazine titled "Junior Johnson Is the Last American Hero -- Yes!" (which inspired the 1973 film "The Last American Hero, starring Jeff Bridges). That was in 1964, and a whole new world has discovered NASCAR since then. Tom Higgins wrote about NASCAR for the Charlotte Observer from 1964 until he retired in 1997, and few know more about NASCAR, or write more fluently about it. Steve Waid heads up the editorial side of NASCAR's Winston Cup Scene and Winston Cup Illustrated. They pull few punches in Brave in Life -- there are, for instance, plenty of mug shots from Junior's early arrests -- although we would have liked more on Johnson's self-imposed exile from a sport he helped to build. It's a good read, but likely not on the recommended list of NASCAR's relentlessly cheerful, forward-looking, Chamber of Commerce-inspired public-relations staffers, who would just as soon forget the sport was ever less -- or more -- than it is now.
